

SOULITUDE – Wonderfool World (2010)

1. INTO THE VOID

(M: Jevo)

Instrumental

2. PRICE OF WAR

(M/L: Jevo)

Hatred, since you were born
Grow with a gun in your hands
Hold on, show them no fear
Die like a hero or live like a fool

Helpless, nothing to loose
Follow the way the brave
Beware which side you choose
Kill or be killed is the script on your grave

Living on the run
Sleeping with your gun
Playing in a game
You'll get no fun

When the game is over
And your lifeless body
Lie in the ground
Don't wait for the angels
Rest forever in a burial mound
Trapped in a row
Beforehand was lost
Now pay the price of war

3. THE MAN BEHIND THE WALL

(M/L: Jevo)

Demons and elfs of insanity
Laughing all the time
Between these walls

Whispering voices
chilling noises
Deep inside my head
Medicated isolated
In a concrete cell

Look at the mirror

I am the man behind the wall
A breed of evil
I am the man behind the wall

Ask myself, is it really me
Or is it someone else
I lose control

Crawling shadows
Dance in circles
Under tungsten light
Abstract paintings twisted faces
Chaos in my mind

Am I dead or am I alive
Is this real or is it Hell

4. BACK TO LIFE

(M/L: Jevo)

Blinded by the sunlight
The hole was dark and cold
I feel the warmth of energy
Running through my blood

The void I left behind me
Long time has been my home
Rising from the ashes
I walked the path alone

Back to life now I'm alive
Father I know, I'm live

Living in a prison
Black is in my mind
Unchain my soul and cry aloud
I'm here, I've come to life

Silent screams to nowhere
The echoes of the past
I promise you that never
I will never die again

5. IN SOLITUDE

(M/L: Jevo)

I'm alone
The world is mine
Once so bustling
And now so quite

Scavengers coming
To enjoy the feast
Am I still a man
Or I'm a beast

Now here I stand
Waiting, rambling
The dominance of humans
Has come to the end

My desperate cries for help
Vanish like whispers
I am the last survivor
Over the Earth
Alone in solitude
Roaming, drifting
I am the last of men
Relieved by the Death

Now here I stand
Waiting for nothing
If God is everywhere
Then why am alone

6. LOST IN THE ICE

(M/L: Jevo)

All aboard, hoist the sails
The journey has begun
Say farewell you may not return
Navigate to the north
Where no man's been before
To conquer the Northern Pole

We sail by the open sky
The stars will light our way
Polar circle is beating us all
Godforsaken, we're lost in the ice

Arctic rage wind and storm
No mercy no relief
The icecap moves under our feet
Day after day week by week
The goal cannot be achieved
My challenge is now my defeat

Winter's here, ice and snow
Give up this is the end
We won't reach the top of the world

Years have gone by and we know
There's only one hope
A miracle will take us home

7. THE SAVIOR

(M/L: Jevo)

From a very distant corner
Somewhere out in space
Hear the crying of a planet
Falls into disgrace

Human termites eat their mother
The womb that gave them life
Time is short, destroy all humans
Before the plague is rife

A flash of light
Thunder and fire from the sky
He's come to kill he's come to save you
End of mankind
A new beginning for new lifes
He's come to heal he is the savior
From the stars

Carrying out the disinfection
Through the galaxies
Rid the Earth of the human virus
Mission to complete

7. LOST IN THE ICE

8. COMING HOME

(M: Jevo)

Instrumental

9. RETARDED NATION

(M/L: Jevo)

Left or right, fight for the crown
Choose your side, fool or clown

Working classes
Act like asses
Mass brainwashes
Retarded nation

Look aside, close your eyes
Hypnotized by their lies

Feed your master
Working harder
Die of hunger
Retarded nation

On and on, trip on the same stone
On and on, get nothing in return

Promise words, broken laws
Be a pawn on their board

Just a illusion
Constitution
Media abduction
Retarded nation

10. GERNIKA 1937

(M: Jevo)

Instrumental

11. ASHES TO ASHES

(M/L: D. Bowie)

Do you remember a guy that's been
In such an early song
I've heard a rumour from ground control
Oh no, don't say it's true

They got a message from the action man
I'm happy, hope you're happy too
I've loved all I've needed love
Sordid details following

The shrieking of nothing is killing
Just pictures of jap girls in synthesis and I
Ain't got no money and I ain't got no hair
But I'm hoping to kick but the planet its glowing

Ashes to ashes, funk to funky
We know Major Tom's a junkie
Strung out in heavens high
Hitting an all-time low

Time and again I tell myself
I'll stay clean tonight
But the little green wheels are following me
Oh no, not again

I'm stuck with a valuable friend
I'm happy, hope you're happy too
One flash of light but no smoking pistol

I never done good things
I never done bad things
I never did anything out of the blue
Want an axe to break the ice
Wanna come down right now

My mother said to get things done
You'd better not mess with Major Tom
